Joining-letter verified. Auditable, not aspirational.

THE NUMBERS

Sixteen years.

Auditable, not aspirational.

Every placement on this page is tracked, verified and traceable through the BIPE placement cell. The number below counts only joining-letter-confirmed offers — not aspirational logos, not off-roll internships, not unpaid trials.

993+

VERIFIED PLACEMENTS

BRANCH-WISE · VERIFIED THROUGH 2024

Three branches carry the pipeline.

Two more maturing.

Mechanical Engineering (Production) carries BIPE's longest recruiter pipeline; Electrical and Civil follow with their own ecologies (RRB/SSC Junior Engineer cadres on one side, Smart-Cities and infrastructure on the other). Computer Science & Engineering and Dairy Engineering are newer branches with placements still maturing on the public record.

| Branch | BTEUP | Placements | Recruiter pipeline |
|--|-------|-----------------|--|
| Mechanical Engineering (Production) | 343 | 522 | Largest cohort. Mahindra, Tata Steel, JCB, Motherson, JBM. |
| Electrical Engineering | 328 | 326 | RRB JE / SSC JE pathway. UPPCL, Tata Power, Indian Railways, Mumbai Metro. |
| Civil Engineering | 322 | 145 | Smart Cities, Bharatmala, Kashi corridor. Site engineering and JE roles. |
| Computer Science & Engineering | 355 | <i>Maturing</i> | Wipro Infrastructure, Asian Paints, government IT cadres. |
| Dairy Engineering | 327 | <i>Maturing</i> | Amul, Mother Dairy, Parag, Nestlé, NDDB. |

Tabulated above: 993. Computer Science and Dairy contribute the remainder as records mature.

RECRUITERS · 44 VERIFIED

Marquee names. Real offers.

Joining letters on file.

Twenty-eight named recruiters below — the joining-letter recruiters from the last sixteen years. The remaining names sit in the placement cell's private register and are released only on request with appropriate verification.

| | | | |
|-----------------------|---|---------------------|-------------------------------|
| Mahindra | Tata Steel | BEL | Indian Railways |
| Krishna Maruti | JCB | Asian Paints | Tata Motors |
| BHEL | UPPCL | Tata Power | Adani Solar |
| Amul | Mother Dairy | Parag | Nestlé |
| NDDB | Bajaj | Ola Electric | Ather |
| Hero MotoCorp | Wipro Infrastructure Engineering | Mumbai Metro | Motherson Sumi Systems |
| JBM Group | Talbros Automotive | Monte Carlo | RR Kabel |

Recruiters are listed alphabetically, not by hiring volume. Full register and verification available on request to admissions@bipevns.org.

NOTABLE ALUMNI · A SLICE OF 1,000+

Six names. Three branches.

One representative thread.

A small slice of a 1,000-strong alumni network — the names below are the ones who consented to publication. Many more are at Indian Railways, UPPCL, Mahindra, Tata Steel and other recruiters named on the previous page.

HOW THE PLACEMENT CELL WORKS

Five programmes.

Run on a sixteen-year cadence.

BIPE's placement cell runs five pre-placement programmes on rotation. Every final-year student passes through them before recruiter season. Nothing more, nothing less.

01

6-Day Industry-Ready Skill Enhancement Workshop

Annual · February

Resume drafting, communication, technical refresher and mock GD-PI in the run-up to placement season. Every final-year student attends.

02

AICTE Impact Lecture Series

Periodic · invited

Industry leaders, alumni and government officials address full cohorts on emerging tracks — EVs, smart infrastructure, dairy supply chains.

03

Mock Interview Sessions

Quarterly

Panel-style mocks with HR mentors and technical reviewers from regional industry. Recorded feedback follows every session.

04

AMCAT On-Campus Examination

Annual

The Aspiring Minds employability assessment, conducted on campus and open to every final-year student to support job applications.

05

Tech Talk Series

Quarterly · alumni-led

Short branch-specific technical talks by alumni and faculty — what changed in the field, what the cohort should learn next.

FOR EMPLOYERS · RECRUIT FROM BIPE

Bring a drive to Phoolpur.

We'll have shortlists in 48 hours.

The placement cell is set up to host on-campus drives and pre-placement talks any working day of the academic year. Shortlists are branch-tagged, AMCAT-scored where requested, and prepared within 48 hours of a confirmed drive date.

| | |
|-----------------------------------|--|
| On-campus drive | Pre-Placement Talk + technical + HR rounds, all on the Phoolpur campus. |
| Branch-wise shortlists | Filtered by branch, year, AMCAT score, branch electives — prepared in 48 hours. |
| AMCAT scores on request | Every final-year cohort sits the Aspiring Minds assessment. |
| Pool drives | BIPE participates in pool campus drives with allied AICTE institutes when requested. |
| Hostel + travel for panels | On-campus arrangements for recruiter panels travelling from outside Varanasi. |
